| <i>Board of Secondary Education, Karnataka</i>                     | Percentage: 97.76 |

## PERSONAL PROJECTS

- Online Food Ordering System**
  - Built a full-stack web application that allows users to browse dishes, add to cart, and place orders from various restaurants.
  - Integrated admin panel to manage orders with status updates and top-ordered recipe analytics.
  - Implemented secure user authentication, image-based item display, and Toastify notifications.
  - **Tech Stack:** MERN Stack (MongoDB, Express.js, React.js, Node.js), Bootstrap, Toastify
- Recipe Recommendation System**
  - Developed a web app that suggests recipes based on ingredients entered by the user.
  - Encourages food reuse and reduces waste.
  - **Tech Stack:** MERN Stack (MongoDB, Express.js, React.js, Node.js), Bootstrap
- Vehicle Record Management System**
  - Built a system to manage vehicle records: ownership, registration, and service history.
  - Improved accessibility for both users and administrators. Designed backend with structured SQL queries and modularized code for future scalability.
  - **Tech Stack:** PHP, MySQL, XAMPP, HTML, CSS, JavaScript

## TECHNICAL SKILLS AND INTERESTS

**Languages:** Java,C,C++

**Web Technologies:** HTML, CSS, React.js, Node.js, MongoDB, PHP, MySQL

**Tools:** VS Code, Git, Postman, XAMPP, LaTeX, Microsoft Office Suite(Word, Excel, PowerPoint)

**Soft Skills:** Time Management,Self learning, Flexible and Adaptable, Self-Motivated

**Areas of Interest:** Web Development,Database Management System

## CERTIFICATIONS

### Java Programming Online Course [Complete Beginner to Advanced]

GeeksforGeeks – 2025

Successfully completed a 10-week comprehensive course covering Java programming concepts from beginner to advanced levels, conducted by GeeksforGeeks.

### DevOps Training Program

Technical Career Education – April 2025

Completed a 24-hour hands-on course covering DevOps fundamentals, AWS, Linux, EC2, Load Balancers, Terraform, Git/GitHub, Docker, Kubernetes, CI/CD, Monitoring, and Ansible.

### Social Innovation Program (2022–2023)

Technical Career Education – August 2023

Successfully completed a 9-month program demonstrating outstanding performance in social innovation, project-based learning, and community impact initiatives.
